| RULES OF A SHAMBLE

LuskinOIC Swing for Kids

Format: Shamble

1. Like a scramble, all players within a foursome tee-off from the designated tees on that hole, and the best drive among the group is selected.
2. From the selected tee shot, each player will play their own ball until they hole out. (Note: the scramble element is only used on the tee shot; no more choosing the best shot within the group after the tee shot!)
3. Please write down your gross score only and we (the golf shop) will calculate the two best gross and net scores.
4. If you have not holed-out-by Bogey, pick up your ball, mark it as a Double Bogey, and move on.

Men use White Tees

Ladies use Red Tees

CART PATH ONLY on Holes #1, #3, #7, #10, #15

Your position on the golf course is directly behind the group in front of you.
Please play Ready Golf.
